

## **We Believe**

**1. We believe everyone can have a better life. It's easy to learn and powered by God.**

**2. We believe if God can create the universe and all its beauty, he can fix whatever is hurtful or troubling us and make our lives better. He's been doing it for millions of people for two thousand years.**

**3. The Better Forever Life works by faith. That means we trust in God; we have confidence in God. We believe he is all-powerful, all-knowing, always present, and always good.**

**4. We believe God inspired men to write the Bible to teach us how to make life better. It gives hope and purpose to all who read it, is full of God's promises, and we believe them all.**

**5. The Bible says the first man and woman were connected spiritually to God. But by disobedience, they were disconnected. We believe this made us all born with a sinful nature that is evil and offensive to God.**

**6. We also believe this opened the door to Satan, whom the Bible calls the father of lies and spirit ruler of this world. Satan creates every hurtful, harmful thought, our sinful nature engages it, and we react.**

**7. Without changing course, we grow unhappy, unhealthy, unlucky, and unloving, and when our body dies, we believe our soul also dies, separated from God forever.**

**8. We also believe God sent his son, Jesus, to be nailed to a cross to die and raised from the dead so our sins can be forgiven and our soul can reconnect to God through his Spirit.**

9. In Jesus, we believe our born-again Spirit creates positive thoughts and emotions that lead to good desires and actions. The Bible calls these love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.

10. In Jesus, we believe we become happier, more content, and more thankful. We become more respectful to others. We seek and attract other like-minded, good people. Our social life and work situation improves. We're confident in Christ and feel and look better. We wake up hopeful. That's the power of God.

11. In the Bible, Jesus said he'll return to take those who receive him as Lord back with him to heaven in new bodies and live forever. There'll be no more pain, no more sadness, and no more death. We believe Jesus.

12. Author Jonathan Cahn writes:

No life is so far from God that His mercy cannot reach it. There is no evil one has committed that is so great that his forgiveness is not greater still; no bondage, no addiction, no chain so strong that it can withstand his power to break it, no past so vile and full of guilt and shame that his power to redeem it is not greater still. He is the light that drives out all darkness, the hope that overcomes all hopelessness, the grace that washes away all sin, guilt, and shame, and the way that breaks open every wall and barrier and makes possible what was not. One only has to say YES to receive it.
